UCNS Announces New and Recertified Behavioral Neurology & Neuropsychiatry Diplomates

Minneapolis, MN, February 16, 2017 - The United Council for Neurologic Subspecialties (UCNS) is proud to announce the names of the physicians who passed the 2016 UCNS Behavioral Neurology & Neuropsychiatry Certification and Recertification Examinations.

Forty-one physicians passed the Behavioral Neurology & Neuropsychiatry certification examination, demonstrating their expert knowledge in this subspecialty area. These physicians now hold the distinction of being UCNS Diplomates.

A total of 55 physicians passed the Behavioral Neurology & Neuropsychiatry Recertification Examination and have demonstrated their commitment to life-long learning by meeting the continuing medical education and subspecialty knowledge requirements necessary to maintain their certification. There are currently 403 physician Diplomates certified in Behavioral Neurology & Neuropsychiatry.

Congratulations to the following physicians:
