## UCNS Announces New and Recertified Neuroimaging Diplomates

*Minneapolis, MN, March 31, 2017* - The United Council for Neurologic Subspecialties (UCNS) is pleased to announce the names of the physicians who passed the 2017 UCNS Neuroimaging Certification and Recertification Examinations.

Twenty-six physicians passed the Neuroimaging Certification Examination, demonstrating their expert knowledge in this subspecialty area. These physicians now hold the distinction of being UCNS Diplomates.

A total of 14 physicians passed the Neuroimaging Recertification Examination and have demonstrated their commitment to life-long learning by meeting the continuing medical education and subspecialty knowledge requirements necessary to maintain their certification. There are currently 206 physician Diplomates certified in Neuroimaging.

Congratulations to the following physicians:

### New Diplomates

Mahmoud Al Masry, MD

ABOUT UCNS

The United Council for Neurologic Subspecialties is a 501(c)6 nonprofit organization with a goal of enhancing the quality of patient care by accrediting physician training programs that meet the quality standards set by the UCNS and awarding certification to physicians who demonstrate their knowledge in one or more of the nine UCNS neurologic subspecialty areas. There are currently 2,701 UCNS-certified physicians and 176 accredited fellowship training programs across nine neurologic subspecialties. For more information, contact: Brenda Riggott, Executive Director.
