UCNS Announces New Autonomic Disorders Diplomates

Minneapolis, MN, January 22, 2019 - The United Council for Neurologic Subspecialties (UCNS) is pleased to announce the names of the physicians who passed the 2018 UCNS Autonomic Disorders Initial Certification Examination. These physicians have demonstrated their expert knowledge of the subspecialty and now hold the distinction of being UCNS Diplomates. There are currently **48 physician Diplomates** certified in Autonomic Disorders.

Congratulations to the following physicians:

New Diplomates

Hasan Abdallah, MD
Mahmoud Al Masry, MD
Meredith Bryarly, MD
Craig Coleby, MD
Elizabeth Anne Coon, MD
Melissa Cortez, DO

Raghuveer Dendi, MD
Lindsey Alan Johnson, MD
Dong In Sinn, MD
Howard Snapper, MD
Vahid Tohidi, MD, PhD

Physicians in the United States and Canada who meet the eligibility requirements may apply for certification in Autonomic Disorders. The next initial certification examination will take place in 2020. For a complete list of all **Autonomic Disorders Diplomates**, **UCNS accredited training programs**, and information about **Autonomic Disorders Certification**, visit www.ucns.org.

ABOUT UCNS

The United Council for Neurologic Subspecialties is a 501(c)6 nonprofit organization with a goal of enhancing the quality of patient care by accrediting physician training programs that meet the quality standards set by the UCNS and awarding certification to physicians who demonstrate their knowledge in one or more of the nine UCNS neurologic subspecialty areas. There are currently **over 2,800 UCNS-certified physicians** and **201 accredited fellowship training programs** across **nine neurologic subspecialties**.
