UCNS Announces New Neurocritical Care Diplomates

Minneapolis, MN, January 24, 2019 - The United Council for Neurologic Subspecialties (UCNS) is pleased to announce the names of the physicians who passed the 2018 UCNS Neurocritical Care Recertification Examination.

A total of 46 physicians passed the Neurocritical Care Recertification Examination and have demonstrated their commitment to life-long learning by meeting the continuing medical education and subspecialty knowledge requirements. There are currently 1337 **physician Diplomates** certified in Neurocritical Care.

Congratulations to the following physicians:

Physicians in the United States and Canada who meet the eligibility requirements may apply for certification in Neurocritical Care. The next initial certification examination will take place in 2019. For a complete list of all [Neurocritical Care Diplomates](#), [UCNS accredited training programs](#), and information about [Neurocritical Care Certification](#), visit www.ucns.org.

ABOUT UCNS

The United Council for Neurologic Subspecialties is a 501(c)6 nonprofit organization with a goal of enhancing the quality of patient care by accrediting physician training programs that meet the quality standards set by the UCNS and awarding certification to physicians who demonstrate their knowledge in one or more of the nine UCNS neurologic subspecialty areas. There are currently [over 2,800 UCNS-certified physicians](#) and [201 accredited fellowship training programs](#) across [nine neurologic subspecialties](#).
