UCNS Announces New Neuroimaging Diplomates

Minneapolis, MN, March 28, 2019- The United Council for Neurologic Subspecialties (UCNS) is pleased to announce the names of the physicians who passed the 2019 **UCNS Neuroimaging Certification Examination**. Demonstrating their expert knowledge in Neuroimaging, 13 physicians passed the certification examination and now hold the distinction of being UCNS Diplomates. There are currently **199 physicians certified in Neuroimaging**.

Congratulations to the following physicians:

New Diplomates

Amar Anand, MD
Ariel Orlando Antezana Antezana, MD
Carmel Armon, MD, MHS
Alireza Faridar, MD
Jerome J. Graber, MD, MPH
Yathish Haralur Sreekantaiah, MD
Richard Thomas Cleary Jackson, MD

Adrian A. Jarquin-Valdivia, MD
Mouhammad Jumaa, MD
Nikolas Mata-Machado, MD
Divya Mella, MD
Mohammad Obadah Nakawah, MD
Syed Fazal Abbas Zaidi, MD

Physicians in the United States and Canada who meet the eligibility requirements may apply for certification in Neuroimaging. The next certification examination will take place in 2021. For a complete list of all **Neuroimaging Diplomates**, **UCNS accredited training programs**, and information about **Neuroimaging Certification**, visit www.ucns.org.

ABOUT UCNS

The United Council for Neurologic Subspecialties is a 501(c)6 nonprofit organization with a goal of enhancing the quality of patient care by accrediting physician training programs that meet the quality standards set by the UCNS and awarding certification to physicians who demonstrate their knowledge in one or more of the nine UCNS neurologic subspecialty areas. There are currently **over 2,800 UCNS-certified physicians and 201 accredited fellowship training programs across nine neurologic subspecialties**.
