

## Certification Eligibility Requirements

### A. GENERAL

#### General eligibility criteria:

1. Applicants must be a diplomate in good standing of an American Board of Medical Specialties (ABMS) board or possess equivalent certification by the Royal College of Physicians and Surgeons of Canada (RCPSC) or the American Osteopathic Association (AOA) [other as specified by the Subspecialty].

~~a. Candidates who have qualified for examination by the ABMS, RCPSC, or the AOA but have not yet been certified, may sit for the certification examination but may not receive notification of their results until UCNS receives confirmation of successful completion of their ABMS, RCPSC, or AOA examination. Candidates must sit for the ABMS, RCPSC, or AOA examination in the same year as the examination.~~

- I. International applicants must have a medical diploma from an institution registered in the World Directory of Medical Schools (WDMS).
- II. International applicants must be certified in his or her primary specialty by a competent medical board. Such a board may include, a) an appropriate board of the European Union of Medical Specialists (EUMS), or b) the medical board of the applicant's country of origin, such board to be approved by the Certification Council.

2. Applicants must hold a current, active, valid, unrestricted, and unqualified license to practice medicine in at least one jurisdiction in the United States, its territories, or Canada., and in each jurisdiction in which they practice.

a. International candidates for UCNS subspecialty certification must hold a valid license to practice medicine in the United States, its territories and possessions, or Canada.

A license to practice medicine is not "current, active, valid, unrestricted and unqualified" if, in any manner to any extent whatsoever, one or more of the following applies. The license is:

- a. under probation;
- b. conditioned, i.e., the physician is required to practice under supervision or with modification, or to
- c. obtain continuing education;
- d. limited, e.g., to specific practice settings;
- e. institutional, temporary, or educational; or
- f. inactive as a result of an action taken by or a request made by a medical licensing board.

#### Policy on Medical Licensure

- If any license currently held by an applicant participating in the application process is restricted or qualified in any way, full details must be provided to the UCNS. The UCNS may, at

44 its sole discretion, determine whether to investigate the license and the information provided.  
45 The UCNS reserves the right to determine if the license fulfills this policy.

- 46 • Licenses that have been revoked, suspended, surrendered, or not renewed in order to  
47 terminate or settle disciplinary proceedings do not qualify as meeting the requirements for  
48 medical licensure, and all such licenses must be reported for review and consideration. The  
49 UCNS will determine if the situation is cause to deny an applicant's certification application,  
50 deny a candidate access to an examination, or revoke a diplomate's certificate.
